By Ranger on Monday, March 26, 2017 Created: 2018-03-25 2017-10-18 Description This is a test product I found on Amazon.com: Compact, foldable, unique design With only two AAA batteries, compatible with all T3/T4/T5 Security Cameras (supplied). No software required to use, Simply connect to the camera. Can work with all compact and folding cameras. Following the link, I found this flash file (a firmware file for the MT6735/MT6738/MT6739 cameras), with the file name "Green\_Orange.flr" and a digital signature, but it is not signed with the "Ranger-CNN" digital signature, so I don't know if the file was created by Ranger or not. In any case, the flash file is no longer available at the Amazon link. So, I leave here the URL for the flash file, with the digital signature, so it can be downloaded and tested. Here is a sample of what you can see in the file # This is the Windows 7/Vista/XP/2000/98/98SE/98SE-2/95/95SE Welcome screen Software Version: v1.00h Build: 10.00.0037 Timestamp: 705-02-07T11:07:00 Help: Press Menu or 'A' to exit # Hello, I am Ranger :).
